

The South End Hurricanes are looking for a few more players for most teams 10 through 18. We are an organization that looks to bring baseball players to the next level. Depending on the age, we will play between 40 and 70 games for the year. This includes 7 tournaments , 1 will be out of state and 1 to 2 in Eastern Washington (depending on the team). We have 5 trainers on staff that can be used through the whole 10 month commitment, not just when we are indoors. On Staff we have the following trainers:

Hitting Instructor

Pitching Instructor

Speed, strength, and agility trainer

Catching Instructor

Infield Instructor

We are not a club that will say here is your coach, and you are on your own to figure out how to learn your position.

The Canes have 9 months of use in the finest in-door facility in the area. This means, no rained out practices, and an intense off season program.

For more information or to set up a tryout, please contact Dusty Elliott at DNN92202@MSN.COM or 253-312-4057
