

2009/2010 Hurricanes Baseball Club

www.southendhurricanes.com

The South End Hurricanes Baseball Club is asking for your help during the 2008-2009 season as a sponsoring individual or business. Our club is designed to provide exceptional players the opportunity to develop their individual and team skills against top competition. The Hurricanes is a non-profit community-based program that strives for good sportsmanship, exceptional skills and a positive environment to play in.

The costs of operating a team are substantial. The majority of these costs are funded by the parents through registration fees and the players fundraising efforts. We also rely on the generosity of our Sponsors to help fund league play and tournaments. All of the players and coaches of the Hurricanes are very aware of the help Sponsors provide to the success of baseball in the Pacific Northwest. We thank all Sponsors for this support.
